at about 9:45 I saw three

One had a plaid shirt and was the  
taller of the three men. They appeared  
to be in the early twenties. One had  
a yellow thing about 32 inches long.  
He went around the pole with it.  
They were there about 3 or 4 mins  
and then they walked away going back west.  
They did not appear to be from the telephone  
or electric Co. The three guys didn't look  
next like the men + woman from the telephone  
or electric Co. One guy I think had a  
dark blue or black zip up sweat jacket.

[redacted] I noticed three men walking [redacted]

[redacted] They were dressed in work clothes. They gathered around a pole next to [redacted]

" and were looking at it. I looked to see if there was a service vehicle that would identify them, but didn't see one.

[redacted]

[redacted]

[redacted] I saw 1 man wearing a red and white plaid flannel shirt with light brown hair ~~about~~ cut to 1 length in the back ~~at~~ barely above his shoulder length. <sup>He was maybe</sup> 5'9"-5'10" + trim.

I vaguely remember another man - a little bit heavier - with darker, shorter hair - possibly wearing a dark blue zip-up sweat jacket. He was not in my view for very long. I remember 1 man had what I thought was a shovel. They poked around the pole for a few minutes then walked away - back the same direction they came. They were there for no longer than 5 minutes. No one was wearing a hardhat.

I later heard on the news that 3 men had robbed the bank [redacted]

MAILBOX RENTAL AGREEMENT

This agreement dated 9/19/95 by and between Raymond A. Mitchell # 173 hereinafter referred to as "Applicant" and POSTALANNEX® shall be governed by these terms to which each party agrees:

1. By completing this form and USPS Form 1583, a copy of which will be made available to the United States Postal Service, applicant appoints POSTALANNEX® as agent for the receipt of mail for a period not to exceed that for which rent has been paid in advance. POSTALANNEX® will provide a key to a lockbox from which applicant may obtain his or her mail. Access to applicant's lockbox will be provided during the business hours posted by POSTALANNEX® except in the case of exterior boxes which are accessible 24 hours per day and for which applicant has paid an additional fee. Should applicant appoint another person or organization to collect mail from POSTALANNEX® premises, applicant shall be responsible for the conduct of such person or organization. POSTALANNEX® shall assume that possession of a key is evidence of authority to collect mail.
2. The key loaned to applicant remains the property of POSTALANNEX® and shall not be duplicated or modified by applicant. Applicant shall be refunded the key deposit upon return of key, within (10) days of termination of service.
3. Applicant understands that the relationship of the parties hereto is one of bailment and not of landlord and tenant.
4. Once POSTALANNEX® has placed applicant's mail in the assigned lockbox, the mail shall be deemed to have been delivered to applicant, and POSTALANNEX® shall not be responsible for loss, theft or damage thereto. POSTALANNEX® is not engaged in the delivery of mail and cannot be responsible for failure of the United States Postal Service to deliver mail or to deliver mail in a timely fashion or undamaged condition.
5. Applicant agrees to use POSTALANNEX® services in accordance with these rules and in compliance with all U.S. Postal regulations, as well as local, state and federal statutes and regulations. Failure to do so may result in cancellation of service without notice.
6. All information provided by applicant on this form is confidential and will not knowingly be disclosed to anyone without applicant's prior written consent, except for law enforcement purposes.
7. Mail will not be accepted for more than three (3) persons or organizations in a single lockbox. In the event that applicant consistently receives substantially more mail than can be placed in a single lockbox, POSTALANNEX® reserves the right to require applicant to rent a larger size box or one or more boxes.
8. Applicant agrees to protect, indemnify and hold harmless POSTALANNEX® from and against any and all claims, demands and causes of action of any nature whatsoever relative to use of POSTALANNEX® facilities or services, and any expense of POSTALANNEX® incurred in a defense against same shall be reimbursed by applicant.
9. In the event POSTALANNEX® commits or fails to commit any act which results in disruption of service to applicant, and applicant thereby suffers a loss, POSTALANNEX®'s liability shall be limited to not more than the rental fees paid by applicant for service not yet received.
10. Certified, registered, insured, or C.O.D. mail or parcels will not be accepted by POSTALANNEX® as agent for applicant except in those cases in which applicant specifically authorizes same in advance, and provides full payment of C.O.D. shipments.
11. POSTALANNEX® fees are due and payable in advance. Failure to pay such fees when due may result in disruption or cancellation of services. POSTALANNEX® does not prorate its fees and does not provide refunds in the event applicant cancels service prior to its agreed upon expiration.
12. The address to be used by applicant is:  
 Applicant Name Raymond A. Mitchell  
 Box Number "Box # 173"

## IMPORTANT NOTICES TO TRANSFEROR (SELLER) AND TRANSFeree (BUYER)

1. Under 18 U.S.C. 921-929 firearms may not be sold to or received by certain persons. The information and certification on this form are designed so that a person licensed under 18 U.S.C. 921-929 may determine if he may lawfully sell or deliver a firearm to the person identified in Section A, and to alert the transferee (buyer) of certain restrictions on the receipt and possession of firearms. This form should not be used for sales or transfers where neither person is licensed under 18 U.S.C. 921-929.

**2. WARNING--A licensee who knowingly sells or delivers a firearm to a straw purchaser violates Federal firearms laws. A "straw purchase" occurs when the actual buyer uses another person (the straw purchaser) to execute an ATF Form 4473 purporting to show that the straw purchaser is the actual buyer. Straw purchases also place the straw purchaser and the actual buyer in violation of law. Although the actual buyer may be eligible to receive firearms, a straw purchase results in the falsification of the licensee's records with respect to the identity of the actual buyer.**

3. The transferee (buyer) of a firearm should be familiar with the provisions of law. Generally, 18 U.S.C. 921-929 prohibit the shipment, transportation, receipt, or possession in or affecting interstate commerce of a firearm by one who is under indictment or information for, or who has been convicted of, a crime punishable by imprisonment for a term exceeding one year, by one who is a fugitive from justice, by one who is an unlawful user of, or addicted to, marijuana, or any depressant, stimulant, or narcotic drug, or any other controlled substance, by one who has been adjudicated mentally defective or has been committed to a mental institution, by one who has been discharged from the Armed Forces under dishonorable conditions, by one who, having been a citizen of the United States, has renounced his citizenship, or by who is an alien illegally in the United States. "Conviction of a crime punishable by imprisonment for a term exceeding one year", includes felonies, and state offenses classified by the laws of the state as a misdemeanor that are punishable by more than 2 years in prison.

**EXCEPTION:** For one who has been convicted of a crime punishable by imprisonment for a term exceeding one year, the prohibition does not apply if, under the law where the conviction occurred, the individual has received a pardon for the crime, the conviction has been expunged or set aside, or the person has had his/her civil rights restored, AND the person is not prohibited by the law of the jurisdiction in which the proceedings were held from receiving or possessing any firearms.

**KNOW YOUR CUSTOMER--**Before a licensee may sell or deliver a firearm to a nonlicensee, the licensee must establish the identity, place of residence, and age of the buyer. Satisfactory identification should verify the buyer's name, date of birth, address, and signature. Thus, a driver's license or identification card issued by a State in place of a license is particularly appropriate. Social Security cards are not acceptable because no address or date of birth is shown on the card. Also, alien registration receipt cards and military identification cards are not acceptable by themselves because the State of residence is not shown on the cards. However, although a particular document may not be sufficient to meet the statutory requirement for identifying the buyer, any combination of documents which together disclose the required information concerning the buyer is acceptable.

4. Under 18 U.S.C. 922 firearms may not be sold to or received by persons subject to a court order that: (A) was issued after a hearing of which the person received actual notice and had an opportunity to participate; (B) restraining such person from harassing, stalking or threatening an intimate partner or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and (C) (i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

**PAPERWORK REDUCTION ACT NOTICE** The information required on this form is in accordance with the Paperwork Reduction Act of 1980. The purpose of the information is to determine the eligibility of the buyer (transferee) to receive firearms under Federal Law. The information is subject to inspection by ATF officers. The information on this form is required by 18 U.S.C. 922.

The estimated average burden associated with this collection is 6 minutes per respondent or recordkeeper, depending on individual circumstances. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to Reports Management Officer, Information Programs Branch, Bureau of Alcohol, Tobacco and Firearms, Washington, D.C., 20226, and the Office of Management and Budget, Paperwork Reduction Project (1512-0129), Washington, D.C., 20503.

## INSTRUCTIONS TO TRANSFeree (BUYER)

5. The buyer (transferee) of a firearm will, in every instance, personally complete Section A of the form and certify (sign) that the answers are true and correct. However, if the buyer is unable to read and/or write, the answers may be written by other persons, excluding the dealer. Two persons (other than the dealer) will then sign as witnesses to the buyer's answers and signature.

6. When the transferee (buyer) of a firearm(s) is a corporation, company, association, partnership or other such business entity, an officer authorized to act on behalf of the business will complete and sign Section A of the form and attach a written statement, executed under penalties of perjury, stating (a) that the firearm(s) is being acquired for the use of and will be the property of that business entity, and (b) the name and address of that business entity.

## INSTRUCTIONS TO TRANSFEROR (SELLER)

7. Should the buyer's name be illegible the seller shall print the buyer's name above the name printed by the buyer.

8. The transferor (seller) of a firearm will, in every instance, complete Section B of the form.

9. Additional firearms purchases made by the same buyer may not be added to this form after the seller has signed and dated it.

10. If more than four firearms are involved, the identification required by Section B, Items 11 through 15, must be provided for each firearm. The identification of the firearms transferred in a transaction which covers more than four weapons may be on a separate sheet of paper which must be attached to the form covering the transaction.

11. In addition to completing this record, you must report any multiple sale or other disposition of pistols or revolvers on ATF F 3310.4 in accordance with 27 CFR 178.126a.

12. The transferor (seller) of a firearm is responsible for determining the lawfulness of the transaction and for keeping proper records of the transaction. Consequently, the transferor should be familiar with the provisions of 18 U.S.C. 921-929 and the Federal firearms regulations, Title 27, Code of Federal Regulations, Part 178. In determining the lawfulness of the sale or delivery of a rifle or shotgun to a non-resident, the transferor is presumed to know applicable State laws and published ordinances in both States.

13. After you have completed the firearm transaction, you must make the completed, original copy of the ATF F 4473, Part I part of your permanent firearms records including any supporting documents. Filing may be chronological (by date), alphabetical (by name), or numerical (by transaction serial number), so long as all of your completed Forms 4473, Part I are filed in the same manner.

## DEFINITIONS

1. Over-the-counter Transaction--The sale or other disposition of a firearm by the transferor (seller) to a transferee (buyer), occurring on the transferor's licensed premises. This includes the sale or other disposition of a rifle or a shotgun to a non-resident transferee (buyer) occurring on such premises.

2. Published Ordinances--The publication (ATF P 5300.6) containing State firearms laws and local ordinances which is annually distributed to Federal firearms licensees by the Bureau of Alcohol, Tobacco and Firearms.

3. Under indictment or convicted in any court--An indictment or conviction in any Federal, State or Foreign court.

4. Intimate Partner--With respect to a person, the spouse of the person, a former spouse of the person, an individual who is a parent of a child of the person, and an individual who cohabitates or has cohabitated with the person.
